Company Profile

Guangzhou Aide Medical Technology Co., Ltd. is a leading manufacturer specializing in Hospital Patient ID and Entertainment Wristbands. Our products portfolio including printable wristbands, PVC wristbands, Tyvek wristbands, RFID wristbands, Fabric Wristbands, race number bibs and various self-adhesive labels.

Founded in 2007, Aide dedicated to the area of personnel identification and management, developed a wide range of wristbands and special software for application in ticketing and race timing.

As the first printable wristband supplier to domestic hospitals, Guangzhou Aide is constantly responding to the demands from the market via an on-going development of new products. In compliance with ISO9001, Guangzhou Aide has established its high quality assurance standard.

After decades of effort, we have also been working with more than 2,000 hospitals from domestic. For abroad, we also have been building up long-term business relationships and enjoying good reputation among the clients.

Why Choose Us?

Our Strengths

◆ Professional ◆

Guangzhou Aide has been focusing on ID solution over 16 years.

As the first factory manufacturing the printable barcode wristbands to the market, we constantly responding to the demands from the market via an on-going development of new products.

◆ Committed to Quality ◆

Our factory operates in compliance with ISO9001 and upholds strict quality assurance standard. Each product undergoes rigorous third-party testing by the third Laboratory before entering the market.

◆ Certificate ◆

The products have passed SGS, FDA, CE certification, and anti-bacterial, anti-allergy test report

What We Provide

◆ Service Assurance ◆

Our factory prioritizes customer satisfaction. We have a team of well-trained staff for seamless pre-sales and after-sales support.

◆ Multiple Choice ◆

We actively listen to the market demands and collaborate with our clients to offer the better product solution. At present, we are supplying not only for hospital use, but also for world-wide entertainment industry.

◆ OEM & ODM ◆

Factory accepts both OEM and ODM orders. We keep our promise of supplying excellent products for you.

Product Summary

Patient ID for Application

Drugs & Treatment

The caregivers are requested to double check the patient's information via the wristband before giving the drugs and treatments to the right patients at the right time.

Specimen Management

In order to avoid mismatch or send incorrect test results to patients, while collecting the patient's specimen/sample, the medical workers are requested to scan the wristband and accurately label the correct patient to the correct specimen/sample.

Meal Distribution

Before distributing the meals to the patients, the nursing worker will scan the QR code of the wristband which containing the patient's dietary restrictions and allergens. To make sure the right meals are served to the right patients.

Mother-Infant Safety

A wristband with mother's information matched will be worn on the new-born baby's ankle for correct identification.

Payment & Billing

Scan the QR code to get the treatment charge details for payment purpose. Improving work efficiency and avoiding mistakes for hospital staff.

Inpatient

- ◆ Adult ward ◆
- ◆ Intensive care unit ◆
- ◆ Paediatrics ward ◆
- ◆ Maternity ward ◆
- ◆ Rehabilitation ◆
- ◆ Blood bank ◆
- ◆ Imaging & screening ◆
- ◆ Dental care ◆

Outpatient

- ◆ Specialist clinic ◆
- ◆ Minor surgery clinic ◆
- ◆ Urgent care clinic ◆

About Printable Wristband

Made from soft and lightweight materials, Our Printable wristband supports thermal printing or thermal transfer for patient information. It is very safe and environmentally friendly, the wristband is also made with antimicrobial coating and liquids resistance.

Two types for reference

SKU# ZT is well-designed with disposable cutlines, once the patient peel off the bands, the wristband is damaged.

- Soft, smooth, lightweight ,Waterproof and wear-resistant.
- Easy to wear and comfortable for patients.
- Tamper-proof with self-adhesive closure.

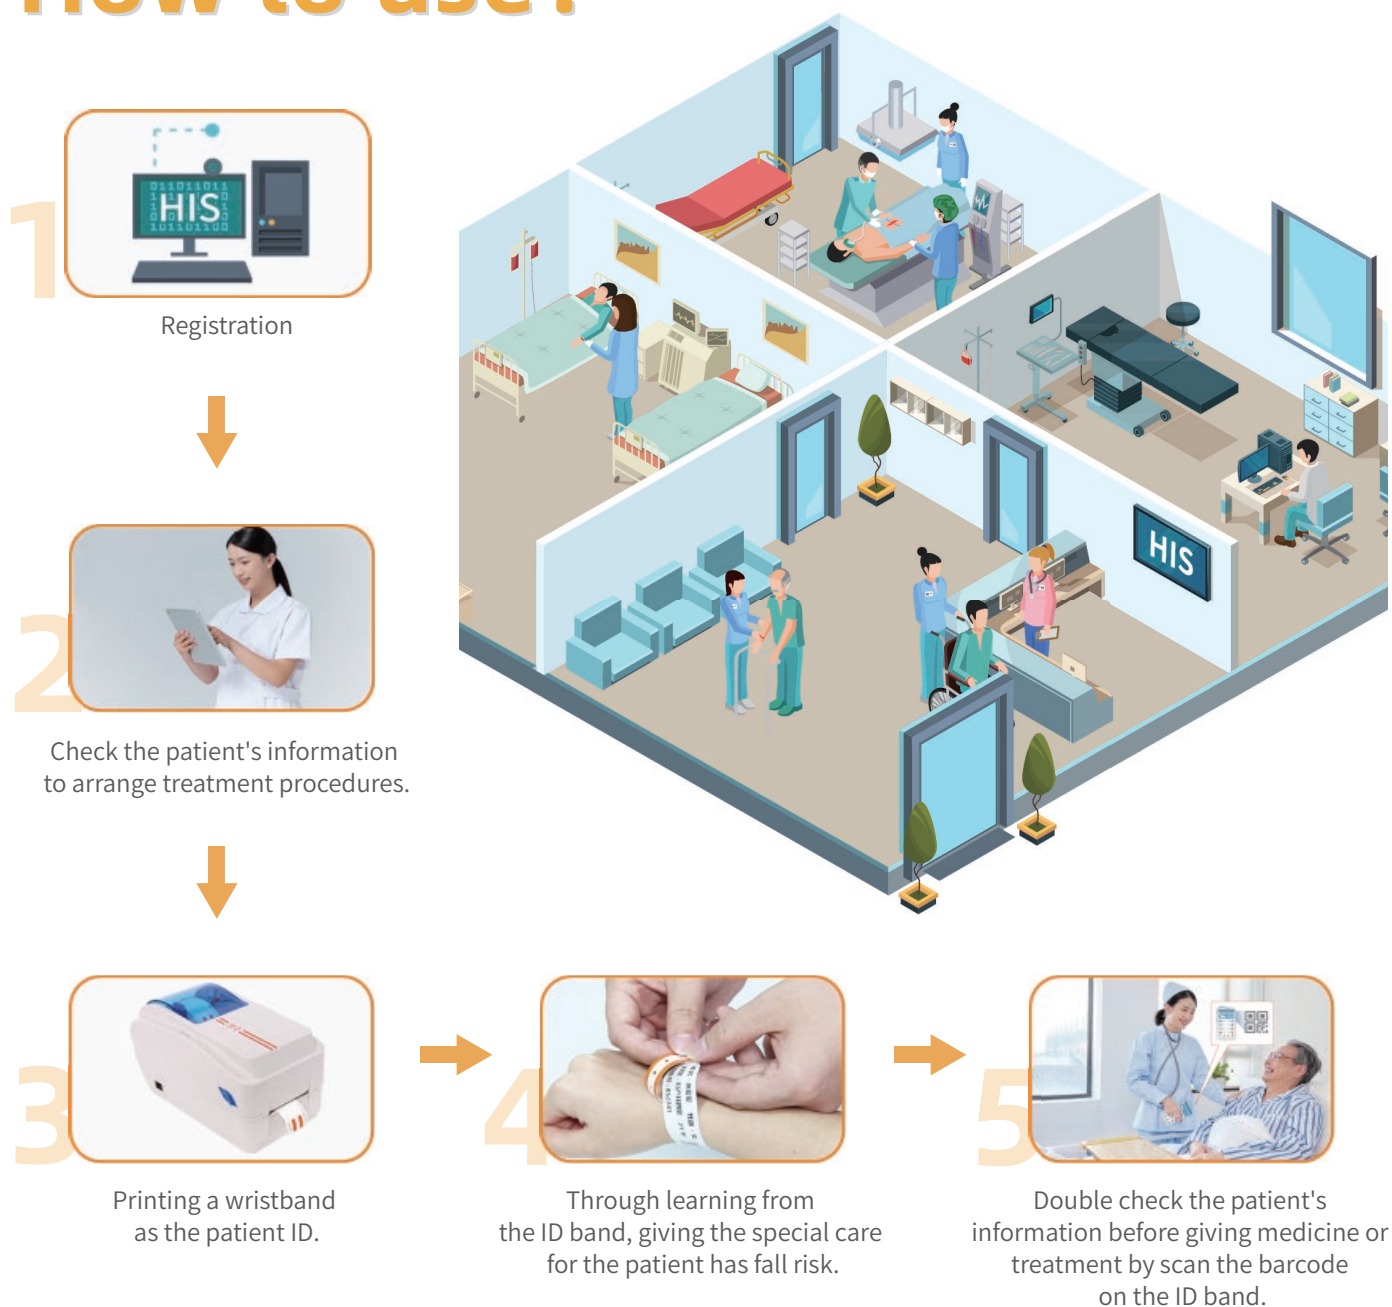

SKU# SK is designed with clasp closure, which prevents patients removing the bands by themselves. It is waterproof and resistant to organic solvents, ensuring clear printing for reliable identification.

- Durable, scratch and comfortable
- Easy to wear and comfortable for patients.
- Tamper-proof, secure snap closure

How to use?

Features and advantages

★ Improving working efficiency

Thermal wristband supports for HIS system, the nurse can print information on it by printer directly, no handwriting required.

★ Clear printing helps us read exactly

To avoid awkward situation while the staff meet the illegible or incorrect handwriting on patient's wristband.

★ Protecting patient's privacy

Barcode or QR code printing, which can save and hide patient's information and only be read when the staff scan it.

Anti-bacterial Coating

The unique anti-bacterial coating on the bands prevents the bacterium from penetrating which keeps patients safe.

Waterproof & Alcohol-proof

Advanced manufacturing technology of waterproof, alcohol-proof and anti-liquid soap are available to keep the printing clear for identification.

Soft Material

Soft and light weight material makes patients feel comfortable.

Direct Thermal Printing Or Thermal Transfer Printing

Flexible printing with texts, barcode, QR code, image etc.

ZT10

Application: Adult	Closure: Self-adhesive(glassine/plastic film/litter-free available)
Color: Customized available	
Size(L x W): 275mm x 26mm (10.83" x 1.02")	
Information Area(L x W): 140mm x 26mm (5.51" x 1.02")	
Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57")/ 76.2mm(3")	
Material: Thermal synthetic paper+EVA, two layers	Thickness: (215±5)μm
Printing way : Direct thermal printing	Shelf Life & Storage: 2 years
Packing: 200 pcs/roll, 6rolls/box, 12000 pcs/ctn	

ZT05

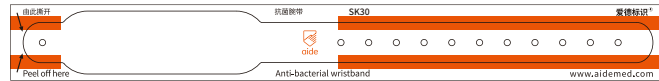

Application: Adult	Closure: Self-adhesive(glassine/plastic film/litter-free available)
Color: Customized available	
Size(L x W): 275mm x 26mm (10.83" x 1.02")	
Information Area(L x W): 140mm x 26mm (5.51" x 1.02")	
Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57")/ 76.2mm(3")	
Material: Thermal synthetic paper, one layer only	Thickness: (75±5)μm
Printing way : Direct thermal printing	Shelf Life & Storage: 2 years
Packing: 200 pcs/roll, 10rolls/box, 20000 pcs/ctn	

SK10

Application: Adult	Closure: Snap-on
Color: Customized available	
Size(L x W): 260mm x 30mm (10.24" x 1.18")	
Information Area(L x W): 80mm x 25mm (3.15" x 0.94")	
Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57")/ 76.2mm(3")	
Material: Thermal synthetic paper+EVA, two layers	Thickness: (215±5)μm
Printing way : Direct thermal printing	Shelf Life & Storage: 5 years
Packing: 200 pcs/roll, 4rolls/box, 8000pcs/ctn	

SK30

Application: Adult

Closure: Snap-on

Color: Customized available

Size(L x W): 260mm × 30mm(10.24" × 1.18")

Information Area(L x W): 80mm × 25mm(3.15" × 0.94")

Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57") / 76.2mm(3")

Material: Thermal synthetic paper+EVA, two layers

Thickness:(215±5)μm

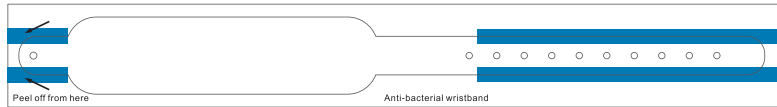

Printing way :Direct thermal printing

Shelf Life & Storage: 5 years

Packing: 200 pcs/roll, 4rolls/box, 8000pcs/ctn

AD10

AD10 series is designed with three layers of material for wider printing area and more durable demands.

Application: Adult

Closure: Snap-on

Color: Customized available

Size(L x W): 300mm × 40mm (12" × 1.57");Size of Wearing:294mm × 30mm(11.57" × 1.18")

Information Area(L x W): 123mm × 30mm (4.84" × 1.18")

Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57") / 76.2mm(3")

Material: Thermal synthetic paper+PET+EVA, three layers

Thickness: (240±5)μm

Printing way :Direct thermal printing

Shelf Life & Storage: 5 years

Packing: 100units/roll, 4rolls/box, 4000 units/ctn

SDB10

SDB10 integrates the benefits of Tyvek material and direct thermal printing, providing a good user experience. Tyvek paper is used as the substrate, making it soft and breathable. Specially crafted with extended edges that delicately envelop, providing a gentle shield to prevent skin abrasions effectively.

Application: Adult

Closure: Snap-on

Color: Customized available

Size(L x W): 267mm × 30mm (25.4" × 1.18")

Information Area(L x W): 136mm × 27mm (5.35" × 1.06")

Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57") / 76.2mm(3")

Material: Thermal synthetic paper+Tyvek

Thickness: (225±5)μm

Printing way :Direct thermal printing

Shelf Life & Storage: 5 years

Packing: 100 pcs/roll, 4 rolls/box, 4000 pcs/ctn

LB-PP25 • Label Band

Label Band is a type of wristband that comes with a printable label, where the wristband clasp is fixed, and the label can be printed using a barcode machine. The advantage of this design is the cost reduction of the wristbands and the ability to use a single printer with various colors of wristbands. This design also allows for the utilization of wristbands in different colors, enabling classification and identification based on specific needs and scenarios.

- The labels can include various information such as text, barcodes, or QR codes.
- It is waterproof, alcohol and tear resistance properties.
- The color and style of the wristbands can be customized.
- It can be matched with Color-code alert clasp button in different colors for identification.
- Tamper-proof with self-adhesive closure.

Application: Adult

Closure: Self-adhesive

Color: Customized available

Size(L x W): 260mm × 40mm (10.24" × 1.57")

Information Area(L x W): 75mm × 25mm (2.95" × 0.98")

Paper Core: 25.4mm(1") / 38.1mm(1.5") / 76.2mm(3") / 39.9mm(1.57")

Material: Synthetic Paper

Thickness: (125±5) μm

Printing way : Direct thermal printing

Shelf Life & Storage: 2 years

Packing: 500pcs/box, 10000 pcs/ctn

How to use?

Print a label.

Paste the label and tear off Laminated adhesive line.

Cover the printed label.

Peel off adhesive liner.

Circling the wristband around the user's wrist, leaving two finger space.

Paste the wristband.

ZT10C

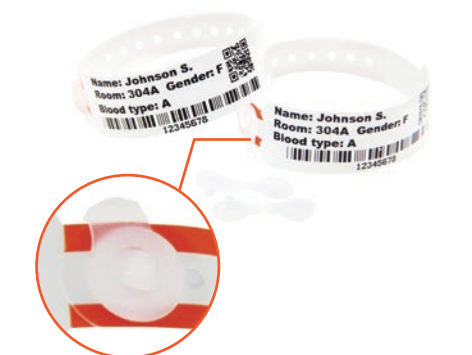

Application: Paediatric	Closure: Self-adhesive(glassine/plastic film/litter-free available)

Printing way :Thermal transfer printing	Shelf Life & Storage: 5 years
Packing: 100pcs/roll, 4rolls/box, 4000pcs/ctn	
Ribbon: 55mm × 55mm(2165.35" × 2.17"); Core Inner Diameter: 25.4mm(1") / 12.7mm(0.5")	

Mother Infant Wristband

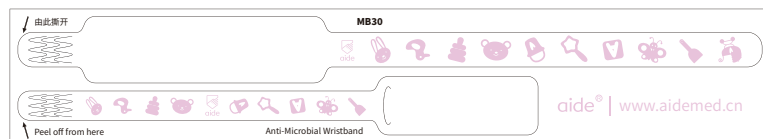

Mother Infant Wristband is specially designed for the Maternity Department. Exclusive two-part wristband ensures accurate matching between the baby and the mother.

MB30 contains wristbands for mother and newborn to ensure that each newborn is correctly matched and identified with its mother. Two wristbands can be printed at the same time to improve work efficiency.

- Anti-bacterial, waterproof and alcohol resistance.
- Safe enough, Latex-free or non-irritating.
- Tamper-proof with self-adhesive closure.

MB30

Application: Mother&baby

Closure: Self-adhesive

Color: Customized available

Outer size(L x W): 285mm × 50mm(11.22" × 1.97")

Inner size(L x W): Mother: 279mm × 25mm(10.98" × 0.94"); Baby: 195mm × 22mm(7.68" × 0.87")

Information Area(L x W): Mother: 90mm × 25mm(3.54" × 0.94"); Baby: 60mm × 22mm(2.36" × 0.94")

Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57") / 76.2mm(3")

Material: Thermal synthetic paper+EVA, two layers

Thickness:(215±5)μm

Printing way :Direct thermal printing

Shelf Life & Storage: 2 years

Packing: 100pcs/roll, 4rolls/box, 4000 pcs/ctn

About Write-on Wristband

Write-on Wristband requested hand-written by a ball pen. It is best choice for hospital without HIS system or patient's short-stay in clinic, the cost is very competitive.

- Pre-printed the common identification contents for convenience.
- Nice choice for hospitals without HIS.
- Be writable by a ball pen.
- Softer material for both adults and babies.

Here are three classic types for your reference

Regular PVC Wristband

PVC wristband is wear-resistant, waterproof, alcohol-resistant, and resistant to organic solvents. With secure plastic snap prevents the patient from removing the wristband without permission and ensures that the verification information is correct.

PVC Wristband with an Inserted Card

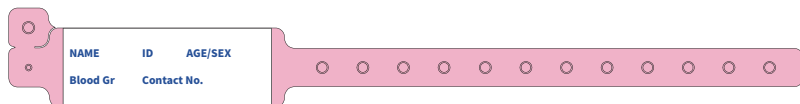

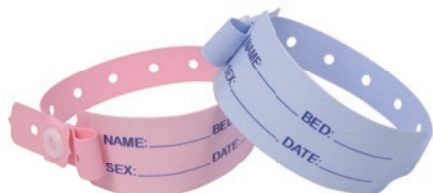

Insert-Card PVC wristbands features a convenient pocket to protect patient data on insert cards and labels from smearing, wrinkling, or scratching. The nurses can just replace the card if the info card is dirty or damaged, but still keep the wristbands.

Tyvek Wristband

As we all know Tyvek paper is with strong advantages of waterproof and tear-resistant, which are widely used as tickets in entertainment places. Medical staff can choose this type for short-term stay identification who needs special care or alert.

PVC400

Application: Adult

Closure: Snap-on

Color: Customized available

Size(L x W): 250mm x 24.5mm (9.84" x 0.96")

Information Area(L x W): 65mm x 24.5mm (2.56" x 0.96")

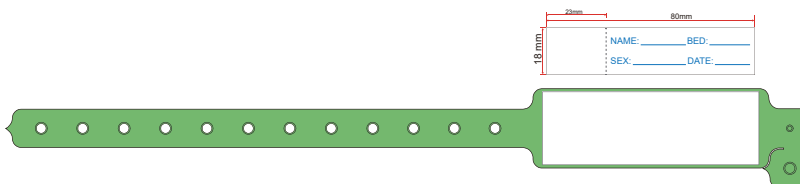

Material: Environmentally friendly PVC membrane

Thickness: (355±5)μm

Packing: 100pcs/box, 400pcs/mid box, 4000pcs/ctn

Shelf Life & Storage: 3 years

PVC400I

Application: Adult

Closure: Snap-on

Color: Customized available

Size(L x W): 250mm x 24.5mm (9.84" x 0.96")

Information Area(L x W): 57mm x 18mm (2.24" x 0.71")

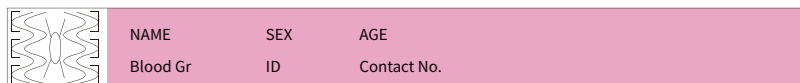

Material: Environmentally friendly PVC membrane

Thickness: (355±5)μm

Packing: 100pcs/box, 400pcs/mid box, 4000pcs/ctn

Shelf Life & Storage: 3 years

TVK250Y

Application: Adult

Closure: Self-adhesive (glassine/litter-free available)

Color: Customized available

Thickness: (140±5)μm

Size(L x W): 254mm x 25mm (10" x 0.98")

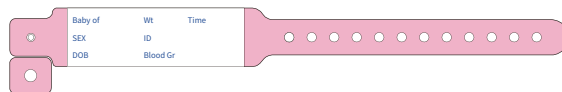

Information Area(L x W): 224mm x 25mm (8.82" x 0.98")

Material: USA Dupont Tyvek paper

Shelf Life & Storage: 2 years

Packing: 10pcs/sheet, 1000pcs/bag, 2000pcs/box, 20000pcs/ctn

PVC200

Application: Paediatric

Closure: Snap-on

Color: Customized available

Size(L x W): 174mm × 18.2mm(6.85" × 0.72")

Information Area(L x W): 55mm × 18.2mm(2.17" × 0.72")

Material: Environmentally friendly PVC membrane

Thickness: (355±5)μm

Packing: 100pcs/box, 400pcs/mid box, 4000pcs/ctn

Shelf Life & Storage: 3 years

PVC200I

Application: Paediatric

Closure: Snap-on

Color: Customized available

Size(L x W): 174mm × 18.2mm(6.85" × 0.72")

Information Area(L x W): 52mm × 14mm(2.05" × 0.55")

Material: Environmentally friendly PVC membrane

Thickness: (355±5)μm

Packing: 100pcs/box, 400pcs/mid box, 4000pcs/ctn

Shelf Life & Storage: 3 years

TVK250B

Application: Paediatric

Closure: Self-adhesive (glassine/litter-free available)

Color: Customized available

Thickness: (140±5)μm

Size(L x W): 220mm × 25mm(8.66" × 0.98")

Information Area(L x W): 190mm × 25mm(7.48" × 0.98")

Material: USA Dupont Tyvek paper

Shelf Life & Storage: 2 years

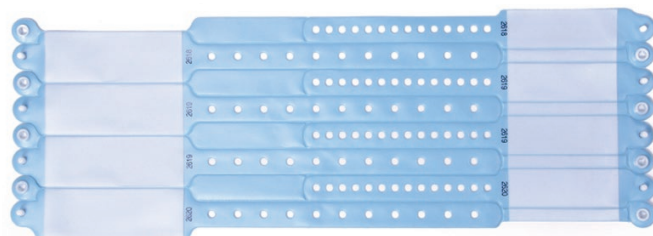

Packing: 10pcs/sheet, 1000pcs/bag, 2000pcs/box, 20000pcs/ctn

Mother Infant Wristband

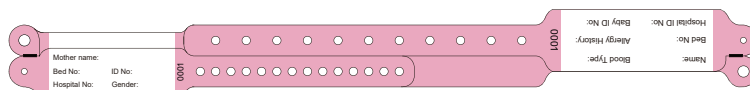

Mother Infant Wristband is specially designed for the Maternity Department.

Exclusive two-part wristband ensures accurate matching between the baby and the mother.

- Eco-friendly PVC material, non-irritating.
- Anti-bacterial, waterproof and alcohol resistance.
- Insert-card or write on wristband available.
- Tamper-proof, secure snap closure.

PVCMB

Application: Mother & Baby

Closure: Snap-on

Color: Customized available

Size(L x W): Mother: 235mm × 25mm (9.25" × 0.98"); Baby: 170mm × 20mm (6.69" × 0.79")

Information Area(L x W): Mother: 62mm × 25mm (2.44" × 0.98");

Baby: 51mm × 20mm (2.01" × 0.79")

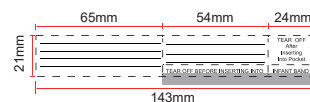

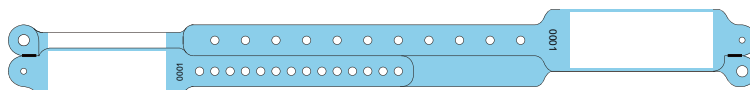

Material: Environmentally friendly PVC membrane

Thickness: (355±5)μm

Packing: 250sets/box; 10boxes/Carton

Shelf Life & Storage: 3 years

PVCMBI

Application: Mother & Baby

Closure: Snap-on

Color: Customized available

Size(L x W): Mother: 235mm × 25mm (9.25" × 0.98"); Baby: 170mm × 20mm (6.69" × 0.79")

Information Area(L x W): Mother: 65mm × 21mm (2.56" × 0.83");

Baby: 54mm × 15mm (2.13" × 0.59")

Material: Environmentally friendly PVC membrane

Thickness: (355±5)μm

Packing: 250sets/box; 10boxes/Carton

Shelf Life & Storage: 3 years

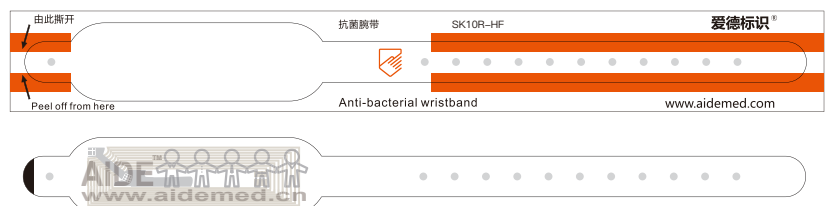

About RFID Wristband

RFID wristbands offer larger memory capacities compared to barcode wristbands. Since RFID does not require line-of-sight data transmission, tags can be read through and around the human body, clothing, bed coverings, and non-metallic materials. This allows caregivers to easily obtain tag information without disturbing the patient.

For patient use, we provide RFID tags on **thermal wristband**, **PVC**, and **Tyvek**. Wristband are non-transferable and one-time-use, which make sure secure identification.

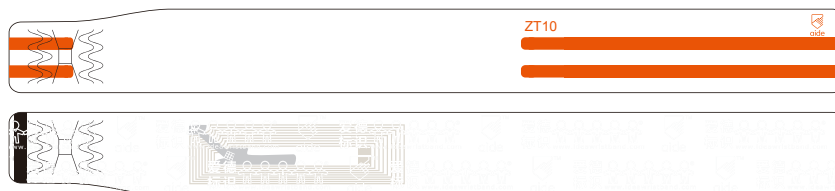

SK10R-HF

Application: Adult	Closure: Snap-on
Color: Customized available	
Size(L x W): 260mm×30mm(10.24" × 1.18")	
Information Area(L x W): 80mm×25mm(3.15" × 0.94")	
Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57") / 76.2mm(3")	
Material: Thermal synthetic paper+EVA, two layers	Thickness: (215 ± 5)μm
Printing way : Direct thermal printing	Shelf Life & Storage: 5 years
Packing: 200pcs/roll, 4rolls/box, 8000pcs/ctn	

ZT10R-HF

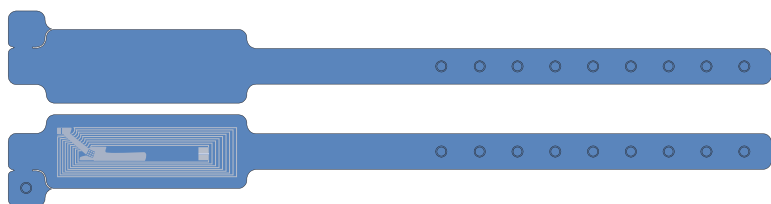

Application: Adult	Closure: Self-adhesive(glassine/plastic film/litter-free available)
Color: Customized available	
Size(L x W): 275mm × 26mm(10.83" × 1.02")	
Information Area(L x W): 140mm × 26mm(5.51" × 1.02")	
Paper Core: 25.4mm(1") / 38.1mm(1.5") / 39.9mm(1.57")/ 76.2mm(3")	
Material: Thermal synthetic paper+EVA, two layers	Thickness: (215 ±5)μm
Printing way :Direct thermal printing	Shelf Life & Storage: 2 years
Packing: 200pcs/roll, 6rolls/box, 12000pcs/ctn	

TVK250R-HF

Application: Adult	Closure: Self-adhesive (glassine/litter-free available)
Color: Customized available	Thickness: (140±5)μm
Size(L x W): 254mm × 25mm(10" × 0.98")	
Information Area(L x W): 224mm × 25mm(8.82" × 0.98")	
Material: USA Dupont Tyvek paper	Shelf Life & Storage: 2 years
Packing: 10pcs/sheet, 1000pcs/bag, 2000pcs/box, 20000pcs/ctn	

PVC400R-HF

Application: Adult	Closure: Snap-on
Color: Customized available	
Size(L x W): 250mm × 24.5mm(9.84" × 0.96")	
Information Area(L x W): 65mm × 24.5mm(2.56" × 0.96")	
Material: Environ mentally friendly PVC membrane	Thickness: (355 ±5)μm
Packing: 100pcs/box, 400pcs/mid box, 4000pcs/ctn	Shelf Life & Storage: 3 years

About Alert Wristband

Alert Wristband is a quick, easy, and cost-effective way to recognize who needs special care. It is applicable to the patients who have special requirements, such as, warning, reminder & attention and other needs. We have 3 material options for you choose.

- Highly visible, colour-specific identification alerts to warn caregivers of special precautions.
- Extra large text helps clinicians clearly understand special patient conditions.
- The material is soft, waterproof, wear-resistant and tear resistant.
- Support customized color, size, content, etc.

JS-TVK25

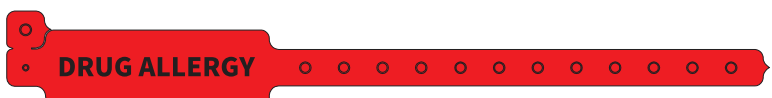

Application: Adult	Content: Customized available
Color: Customized available	Closure: Self-adhesive
Size(L x W): 254mm × 25mm(10" × 0.98")	Thickness: (140±5)μm
Material: USA Dupont Tyvek paper	Shelf Life & Storage: 2 years
Packing: 10pcs/sheet, 1000pcs/bag, 2000pcs/box, 20000pcs/ctn	

JS-PP25

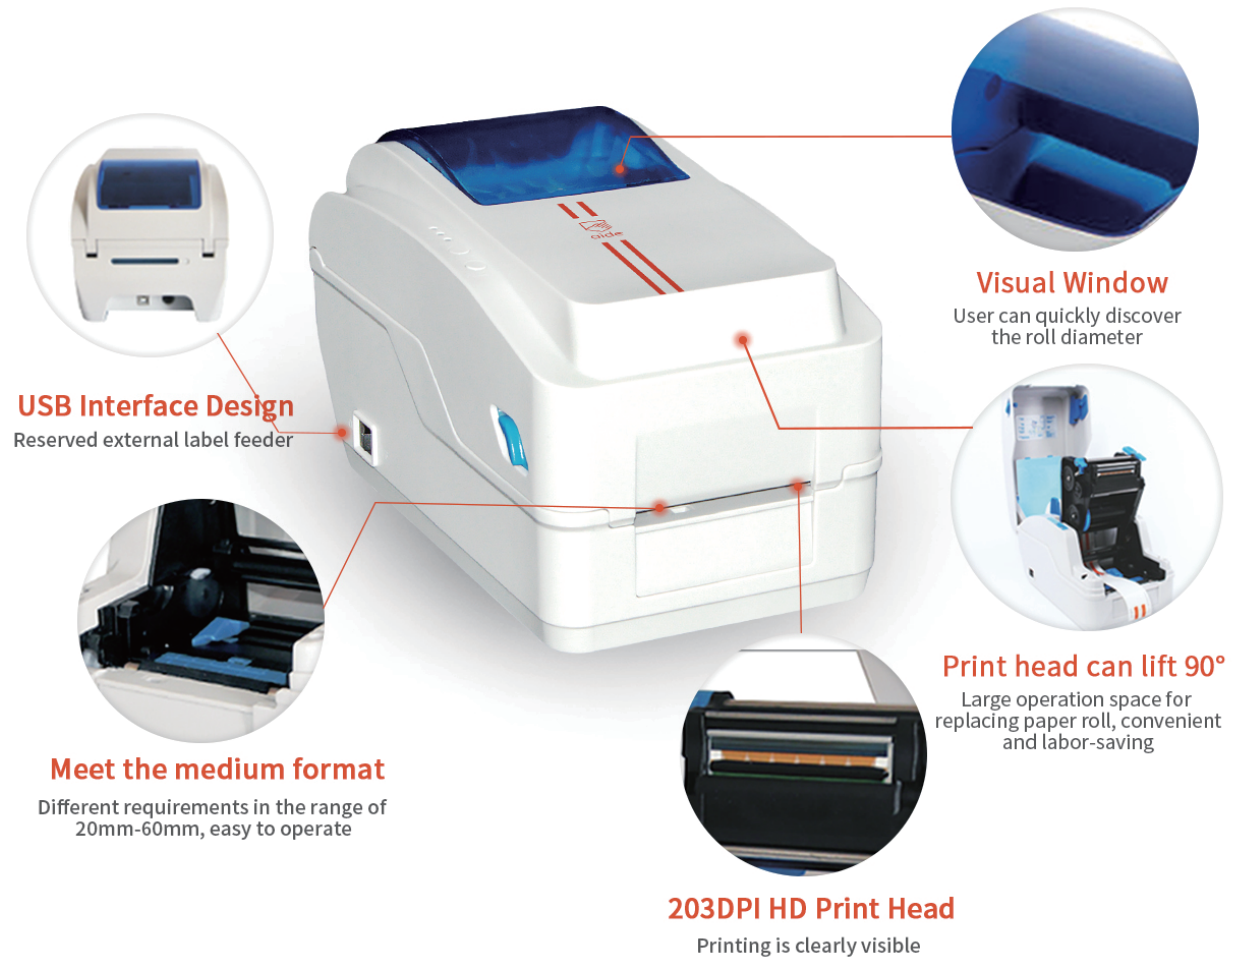

Application: Adult	Content: Customized available
Color: Customized available	Closure: Self-adhesive
Size(L x W): 254mm × 25mm(10" × 0.98")	Thickness: (190±5)μm
Material: Synthetic Paper	Shelf Life & Storage: 2 years
Packing: 10pcs/sheet, 1000pcs/bag, 2000pcs/box, 20000pcs/ctn	

JS-PVC400

Application: Adult	Content: Customized available
Color: Customized available	Closure: Snap-on
Size(L x W): 250mm × 24.5mm(9.84" × 0.96")	Thickness: (355 ± 5)μm
Material: Environmentally friendly PVC membrane	Shelf Life & Storage: 3 years
Packing: 100pcs/box, 400pcs/mid box, 4000 pcs/ctn	

About Barcode Printer

- ★ Fuselage is only 2 inches, does not take up space;
- ★ It also supports two modes of thermal/thermal transfer printing.
- ★ Large capacity, large paper holder;
- ★ Printing speed is fast;
- ★ Can support 300 meters of carbon printing;
- ★ The fuselage is small, beautiful and generous.

Specification

Print specification	Printing mode	Thermal rotary/thermal sensitive
	Printing speed	2-6inch/s
	Print interface	USB interface
	Print head resolution	203dots/inch (1mm=8dots)
	Print mode	Carbon band/heat sensitive
	Print point size	0.125*0.125mm (1mm=8dots)
	Maximum print width	54mm
	Maximum print length	2286mm
General specification	Printer size	280*160*170 (W*D*H)
	Printer weight	1.72kg
	Operating environment	5-45°C (41-104°F) , 25-85% dew free
	Storage environment	-10-50°C (-10-104°F) , 10-90% dew free
	Pulse excitation	1*108Pulses
	Thermal film (wear resistance)	30KM
	Power supply	Input:AC 110V/240V ;Output:DC24V/2.5A,60W
Carbon strip specification	Outer diameter of carbon belt	Max. 67mm
	Carbon belt axis size	1inch (25.4mm)
	Carbon band width	Max.60mm, Min.30mm
	Carbon tape winding form	Outroll type
Paper specification	Maximum outside diameter of internal volume	127mm (5") OD
	Paper type	Continuous paper, gap paper, folding paper, black label paper, thermal transfer, coated paper, wash label, tag
	Paper winding form	Print surface outside roll type
	Paper width (label + backing paper)	The maximum is 60mm and the minimum is 20mm
	Paper thickness (label + backing paper)	Max 0.254mm(10mil), min 0.06mm (2.36mil)
	Paper reel core size	25.4mm-38mm (1"-1.5")
	Spacing height of paper	Min 2mm (0.09")
	Label length	10-2286mm (0.39"-90") Note: If the length of a label is smaller than 25.4mm (1"), you are advised to use a label with perforated lines on the gap to facilitate removal.
